

EA/GPA Alumni Weekend 2024

Experiencing Our Savior

April 12th & 13th

Enterprise SDA Church

601 S Bridge Street - Enterprise

A Note From the President

Happy New Year!!! And I believe that winter has finally arrived as well, since the snow is coming down outside and the forecast for the near future is quite dismal. However, by April this will all be a thing of the past. So that's what we are looking for, actually it's the weekend of April 12 and 13 to be exact. That will be the time for our annual E.A./G.P.A. alumni reunion.

I want to extend a special invitation to all graduates, former students, (even if you didn't graduate here), and faculty members to come spend the weekend at our reunion in Enterprise.

This event kinda sneaks up on folks every year and first thing you know, you missed it again. Well this year I want to invite you soon enough so that you can make plans to be here in April.

We had a great reunion last year and expect another great reunion this year. Honor classes this year are those whose year ended in a 4 or a 9. Well I was from the class of 1969 so I am expecting a great turnout from my class. You all better not disappoint.

As I've said before, we are not making any more alumni so our future is limited. So don't put off to next year what needs to be done this year.

See You All in April. That's the 12th and 13th.

God bless each of you and travel safe.

Dennis Maas -Alumni President

Class of '69

Guest Speaker

Charlie Case
Class of 1974
