Enterprise, we love to sing thy praises,

To the skies above the land.

Proud to be where smiles of loyalty

abound on every hand.

True to thee, we laud the banner

of the finest school there'll ever be.

Hail to thee, beloved Enterprise Academy.

54th Alumni Reunion

April 14 - 15, 2017

Reconnect

Throughout our academy experience we shared experiences that connected us as a school family. As we each took different paths in life, the bond we developed as we attended the academy remained in our hearts. Our theme this weekend is Reconnect. Years have gone by since our first initial connection took place at EA/GPA, however, I pray this weekend can be a time to reconnect with fellow friends and family whom we created together, the fond memories we have of our beloved school. While we spend the weekend together, take the time to think about all the special memories you have from attending EA/GPA.

Above all, may this special weekend reconnect us with our best friend, Jesus Christ, who gives us hope of a day when we can experience Homecoming Reunions in Heaven.

Sabbath Blessings to you,
Lindsey Hovorka '10
Alumni Association President
